CLOSE CONTEST FOR CONGRESS EXPECTED

Republicans Hopeful for a Majority of Thirty in the House.

SENATE MUCH IN DOUBT

Little Chance That Either Side Will Have Free Hand in Legislation.

WASHINGTON, Nov. 4 .- With the election close at hand the best information obtainable in Washington is that the Democratic majority in the House of Representatives will be overturned but that the Senate will be closely divided.

Even with a nominal Regublican mafority the attitude of several Senators of Soubtful. Two Progressive Republicans, Le Follette and Poindexter, now reguar Republican nominees, voted for the Underwood-Simmons tariff law. A third, Kenyon of Iowa, was disposed to do the

The Republicans may lose two or more of their nominees for the Senate, according to surface indications. But for this fact they might reasonably hope to have a small majority on the gains conceded

The House of Representatives, as uation now appears, will have a Re-blican majority of from fifteen to enty-five, or possibly thirty. Frank Woods, chairman of the National publican Congressional Committee, timates as the most conservative aim a Republican lead of fifteen. The SUN, after making a study of Chairman | Woods's figures, believes that the claim d in the House will be nearer twenty- hit. Democratic Congressional on the other hand claims a

wing, considering two seats as va-
